EAGLE DANCE 2026

**Centre for Shamanic Arts
of the
Sweet Medicine Sundance Path**

June 5-7 2026

Surrey, UK

The Eagle Dance is a traditional and powerful ceremony. We dance to the Tree of Life from dawn 'til dusk, pulled by the powerful rhythm of traditional chants, to connect with our higher vision and purpose for the year ahead.

The ceremony begins on Friday 5th June with a whole camp gathering at 4pm. You should arrive, set up your camp and register before then. There will be a Purification Lodge on Friday evening. We will dance all day on Saturday 6th and then, in the evening, we will enjoy a ceremonial feast.

On Sunday we will all help with the take-down, leaving the land even more beautiful than we found it. We aim to be finished by midday on Sunday 7th June.

There is an opportunity to be on the land in service as a Dog Soldier. They are the keepers and guardians of the space, the ceremony and the people. They provide practical support and protection, especially during the dance. No experience is necessary. If you have completed 4 dances or you have never been to an Eagle Dance before, we invite you to consider this option of being in service.

PLEASE NOTE

**No alcohol or non-prescription drugs are allowed on the land
Please do not bring children or pets - this event is not suitable for either.
Everybody needs to be on the land and registered by 4pm Friday 5th June.**
